Press release from: [Delphi Glass](#)

Delphi Glass, celebrating 37 years in the art glass community, has released their 2009-2010 Annual Creative Arts Supply Catalog. At 452 pages, it is their largest catalog to date.

The full-color catalog is densely packed with a wide variety of glass, tools and supplies. Over 5800 new products have been added, including more fusing and dichroic glass, Delphi Exclusives and the latest jewelry findings. Still included are Artists Spotlights, quick step-by-step projects, and dozens of finished projects to help inspire beginners and artisans alike.

“We are very excited about this year’s catalog,” says Merchandising Director Jennifer Newman. “Artisans deserve to work with a wide selection of top-quality products. Delphi’s new catalog delivers the best and latest glass art supplies anywhere.”

Besides traditional glass crafts, Delphi’s new Creative Arts Catalog includes jewelry, ceramics, and metal embossing. On DelphiGlass.com, visitors will find hundreds of additional styles of fusible and stained glass, professional-grade tools, and even finished artwork and handmade gifts.
