With „pool service“ Blue Flame Records released a label compilation, which at the same time is also a milestone in relaxing sound for sun-hungry lounge, party and chillout fans! No up-squeezed titles, but affectionately chosen sound pearls for a perfect day at the pool or at home. Ambient mixes, groovy sounds, mixed with jazz, Nu Bossa, Down Beat and electronics compiled by DJ Red Buddha.

Mediterranean sounds come from Barrière feat. Themis with sensual vocals and melodious surfaces, which are being tickled from the loudspeakers. Dubdiver perpetuated himself with a Cover version of “Shine”, an easy groovy Reggae sound without any hectic added. Also “Summertime” the pervasive classical track arranged by Jazzamor spreads a pleasant Lounge feeling. Delighted by the summer feeling, gentle dreams and the next vacation, Moca run by with „Post It“, Lenny Mac Dowell with „Ain' t No Sunshine“ and Christophe Goze with „Manana“ in the slow motion speed - too beautifully, in order not to push the play button again and enjoy the 15 Tracks over and over.
