

Mobile Telephony Lunacy: Victims Report

Date: 04.04.2008 - 12:28

Category: [Media & Telecommunications](#)

Press release from: [Buergerwelle Germany \(incorporated society\)](#)

Whilst politicians ignore the dangers of mobile telephony, the number of victims is increasing. Karl Trischberger suffers himself from the effects of the harmful radiation. He explains here the latest findings of the health effects and allows victims to speak for themselves for the first time. What those sensitive people are already noticing today may well cause stress for us tomorrow.
