Health fanatics have turned their backs on coffee, giving the more vital tee their attention. Green tea is said to have healing power; it stand for mystery, fascination and health of Far Eastern culture and life style.

The compilation "Green Tea Vol. 3 – Red Flower Mix" unites modern and also Asian influenced music with the ancient tee tradition. The mild scent of the tee is reflected in the choice of songs and conveys harmony and a sense of well-being.

The „Red Flower Mix“ stands for a very spezial music mix ... artists with an ability to create extra ordinary moods and create atmospheres, in which the listener feels well and is able to relax. Tunes from Red Buddha, Praful, Fous De La Mer, Spy From Cairo, DubDiver blend in together with unusual remixes from Chinese artists Bai Kwong, Chow Hsuan, Li Xiang-Lan and Ku Chang Mo.

The tee series started with Vol. 1 „Flavored Atmosphere“ (BF 88142) and went into the second round with „Sencha Mix“ (BF 88252).
